I. PROPOSED MOBILITY PROGRAMME

Language of training: French / English / Spanish

Overall objectives of the mobility:

- Get new knowledge and boost my skills ;
- Share experiences and meet colleagues from all over the world ;
- Improve my foreign languages ;
- Improve my autonomy and ability to adapt in different foreign countries ;
- Draw inspiration from other universities' practices.

Added value of the mobility (in the context of the modernisation and internationalisation strategies of the institutions involved):

- Strengthen contacts with host institution and staff in order to increase cooperation ;
- Understand education systems and international relations of both countries ;
- Compare the organization of knowledge and experience in both countries ;
- Foster international research cooperation and international academic networks.

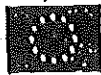

Activities to be carried out:

Activities relating to International Relations, such as :

- Furthering our knowledge of international relations and world politics;
- Exploring the main basic concepts and dominant theoretical approaches in the study of international relations;
- Focusing on the main categories of political actors who intervene on the international scene as well as the most important international organizations...

Expected outcomes and impact (e.g. on the professional development of the staff member and on both institutions):

- Promote the exchange of expertise and experience on working and learning methods ;
- Develop working methods ;
- Discover the requirements of the European Higher Education Area (EHEA) ;

- Establish professional collaborative relationships with European staff ;
- Create links between higher education institutions ;
- Implement the positive experiences gained in the home university ;
- Share all gained knowledge and experiences with colleagues ;
- Better understand social, linguistic and cultural diversity ;
- Develop cooperation between schools and universities ;
- Improve foreign language skills.

II. COMMITMENT OF THE THREE PARTIES

By signing* this document, the staff member, the sending institution and the receiving institution/enterprise confirm that they approve the proposed mobility agreement.

The sending higher education institution supports the staff mobility as part of its modernisation and internationalisation strategy and will recognise it as a component in any evaluation or assessment of the staff member.

The staff member will share his/her experience, in particular its impact on his/her professional development and on the sending higher education institution, as a source of inspiration to others.

The staff member and the beneficiary institution commit to the requirements set out in the grant agreement signed between them.

The staff member and the receiving institution/enterprise will communicate to the sending institution any problems or changes regarding the proposed mobility programme or mobility period.
