the University Abdelmalek Essaâdi-Tetouan,
BP 1818 Tanger Principale, 90000 Tangier Morocco
Tel: (212)670566685 / Fax: (212)539393743

Dear Prof. Britel,

Thank you for your previous email. It is a pleasure to host you from the National School of Applied Sciences in Tangier Morocco of the University Abdelmalek Essaâdi-Tetouan, in our research group located at the Faculty of Pharmacy and Food Sciences - Campus Torribera.

I confirm that the dates scheduled for your visit from June 12 to June 16 of 2023 are fine. We appreciate your visit to our group, since we will have the opportunity to discuss the options for a continued collaboration between our teams in the molecular modeling of biomolecular systems for drug design applications, particularly regarding the visits of your students to the University of Barcelona.

Yours sincerely.

Prof. F. Javier Luque
Full Professor
